**Work
Experience**
(6 years)

PAF Consultant
UNWOMEN Pakistan

(Feb-Oct 2011)

As consultant, I was assigned the responsibility to develop a Training Guide to Integrate Gender Equity and Human Rights Approach in to HIV/ AIDS Programs with Most at Risk Populations (MARPs) in Pakistan with consultation of six UN agencies and local partners. The Training module was developed by me.

Lecturer-Visiting Faculty, International Islamic University, Islamabad

As visiting faculty, I teach the subjects of sociology in the university.

Lecturer
Department of Sociology Social Work and Population Studies
Allama Iqbal Open University.

(Sept 2007-date)

As lecturer/ M.Sc Programme coordinator, I am performing following duties:

- Developed the HEC curriculum for BS-4 years Sociology program
- Developed a course “Sociology of Child Rights and Child Development”, written study guide and compiled its allied material from different sources.
- Developed syllabus and detailed outlines for 14 courses of a complete new M.Sc Sociology Programme, which includes **three gender related courses**.
- Teaching M.Sc. subjects; Research Methods, Gender Issues, Sociological Theories, Sociology of Development, Population Dynamics & Social work.
- Developed outlines of Postgraduate diploma in Population and Development, Covering the issues like population growth, population and human rights, Sexual and reproductive health and HIV/ AIDS.
- Supervised M.Sc thesis researches of 05 students.
- *Resource person with Women & Gender Studies, Rural Development, and Environmental Studies Department at AIOU, Islamabad.

Sahil
Principal Investigator- Consultant (Part-time)

(Oct-Dec 2007)

As principal investigator, conducted a study on Knowledge, Attitude and Practices of Violence in Pakistan in 12 different universities all over Pakistan. The impact of violence on the personality of students was also assessed. I performed following tasks for the project:

- Developed research proposal and detailed budget
- Developed Questionnaire for both qualitative and quantitative data
- Trained the enumerators from 5 cities under study, also supervised and monitored the data collection and managed all the financial expenses

- Done data coding, data entry and analysis and written the report.

Asian Harm Reduction Network: National RTI Survey of HRGs
Program Monitoring & Quality Assurance Coordinator- Consultant

(April-Sept 2007)

I was part of the core management team for **National RTI/STI study conducted by London School of Hygiene & Tropical Medicine**. I was responsible for monitoring and quality assurance of quantitative survey of high-risk groups. As M&QA Coordinator, I performed following tasks:

- Developed monitoring strategy with detailed checklists
- Developed reporting and record keeping formats for staff
- Monitored processes and ensured the quality as per objectives of the project
- Ensured the implementation of operational strategy

Consultancy In addition;

- **Conducted technical assessment exercise** for a project “**from margins to mainstream**” of Nai Zindagi Charity, aimed to mainstream the ex-drug users and **PLHIV** through employment and skill development. Under the consultancy, impact assessment of the initiative on individual cases was done. I interviewed HIV positive members, analyzed data and **developed a detailed assessment report** and submitted to the Project Director.

Sahil

Programme Officer Trainings

(Sept 2005-March 2007)

Sahil is the only organization working against child sexual abuse in Pakistan. I was responsible to implement trainings program. Major achievements:

- **Prepared manuals**, conducted trainings and written reports on workshops on, Child Rights, Child protection issues, Child Sexual Abuse, HIV/AIDS and Life Skills, How to deal with sensitive issues, Psychological impact of violence on children, etc **for different organizations:**
- Conducted 82 training events for teachers from **780** schools, NFBEs and six special education centers at Islamabad, Rawalpindi, Abbottabad, and Sukkur.
- Conducted **18 training** events for different **National and International NGOs on Life skills, Child Protection Issues and HIV/ AIDS.**
- Developed information tool kits, training manual and conducted training on child rights, child labor and child domestic labor in collaboration with **ILO** for Government and NGOs, 18-23 December 2005, at Best Western Hotel Islamabad.
- **In addition** to trainings, I coordinated activities of **Rehabilitation of Juvenile Prisoners** Project of Sahil and sensitized inmate children on HIV, Hepatitis B&C, and conducted counseling sessions. (Sept 2005 to May 2006).

Pakistan Institute of Development Economics (June to Aug 2005)

I worked as researcher with P.I.D.E in a UNIDO's nationwide research project to find out trade barriers to Pakistani exporters.
